2020 Fall Tea Collection

Everyday whole leaf green tea:

We hand pick only the most fresh and tender tea leaves to be processed green. A fragrant floral 'soft branch' green tea with light sweet taste and gentle.

2 oz - \$14.

Everyday whole leaf jasmine green tea:

From the legendary biodynamic & certified organic Ancient Tea Forests of JingMai & ManJing Mountains. Cultivated by native tribes from wild tea trees over 1,700 years ago, descendants continue to harvest these trees in the way of their ancestors. Ancient teas reveal the incredible aroma of the way tea once was.

2 oz - \$16.

Everyday whole leaf oolong tea:

Hand picked in the mountains of central Taiwan, highest oolong tea growing regions east of the Himalayas, our oolong is prized by tea connoisseurs worldwide, this extremely high mountain tea grows slowly from a constant cloud & mist cover and a cooler growing temperature. The result is a smooth body and delicious sweet flavor.

2 oz - \$16.

Everyday whole leaf black tea:

Harvested in a moist low elevation area in XinZhu, China in the hottest months of summer. The young buds are bitten by the micro-scopic "Green Leaf Cicada", whose enzymes cause a natural reaction with the leaf reddening the leaf edges bringing out its famed aroma of honey and fruit.

1.5 oz—\$14

Everyday whole leaf puerh tea:

From the legendary biodynamic & certified organic Ancient Tea Forests of JingMai & ManJing Mountains. Cultivated by native tribes from wild tea trees over 1,700 years ago, descendants continue to harvest these trees in the way of their ancestors. Natural Large leaf with a hand rolled tea reminiscent of roasted sugar cane, orchid & wild tea leaf.

1.5 oz—\$14
